Message From Your President

Wow! Just when I think our golf outing can’t possibly do any better... it does! What a fantastic day! I’d like to personally thank all of you who took time out of your busy schedules to support NAWIC and take part in our annual event. And we promise to only use the tutu pictures for good! You guys are great sports! I’d also like to thank all of our Chapter members who helped with the event. Great job, ladies!

In other news... Our Chapter has elected a new Board of Directors for the coming year. I’d like to congratulate the following women:

Incoming President: Angie Lippe, Climate Engineers
Incoming Vice President: Darby Winger, Rinderknecht Associates, Inc.
Incoming Treasurer: Karen LaGrange, Climate Engineers
Incoming Secretary: Denise Carnahan, T&K Roofing & Sheet Metal Co.
Incoming Directors: Steph Heims, Miron Construction, and Caitlin Reuter, Brecke Mechanical Contractors

The new Board will be installed in September. I am excited to have some of our newer members join the Board. It will be a great mix on the leadership team and I am confident this group will take the Chapter to new heights.

Sincerely,

Darby Winger
President, Chapter 160
MARK YOUR CALENDARS!

August 1st - Solar array tour by Moxie Solar

Helping buildings and employees perform to their fullest.

By modernizing the equipment and systems in buildings, improving energy and operating spend, and addressing ongoing maintenance needs, Johnson Controls creates healthier, more productive and safer environments for customers.

Delivering these outcomes is our diverse workforce. We’re committed to advancing women in the HVAC industry, investing in STEM programs that educate girls and empowering our female employees with our Women’s Resource Network business resource group.

Investing in our people. Delivering for our customers. That’s Building Efficiency.
