Message From Your President

Our Chapter is busy again this month as we prepare to host our annual Block Kids Building Contest. This event is a great way to build enthusiasm for careers in construction. We’re hosting the contest at Kirkwood Community College on Saturday, January 28th. Our members are very excited to see what the kids come up with again this year.

This contest wouldn’t be possible without our wonderful sponsors and volunteers. I’d like to thank Ace Concrete Cutting LLC, Brecke Mechanical Contractors, Climate Engineers, D & S Sheetmetal Inc., Hy-Vee, King's Material, Inc., Rinderknecht Associates, Inc., Star Equipment, LTD., T&K Roofing & Sheet Metal Company and United Rentals for their donations. I’d also like to thank the Cedar Rapids Fire Department for providing additional educational activities at the contest. It’s going to be a great event!

Our Chapter doesn’t slow down after that. Mark your calendars for Women in Construction Week (March 5-11) and our Industry Appreciation Night on Tuesday, March 7th. Invitations will be out soon. If you’d like more information, please don’t hesitate to contact me, or any Chapter 160 member.

Sincerely,

Darby Winger

**Fresh Fruit Pops**

Just stick a skewer into a strawberry or slice of banana, dip it in your children’s favorite natural yogurt and then roll the pop in granola! Store the pops in the refrigerator until serving, they would be just as delicious frozen as well.

**OR TRY THIS**

**RASPBERRY Chocolate Drops**

Simply pop a chocolate chip into a raspberry and serve!
