As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.

The Pipeline, Cedar Rapids/Iowa City Chapter 160, Midwest Region

Message From Your President

Writing this message is bitter sweet for me. It is my last President’s message since we transition to our new leadership team in September. These last two years have truly been a gift. I am honored that I have been able to lead such a wonderful group of women. It has been a growing experience for me and a joy to see others grow right along with me.

I have felt a tremendous amount of support from all of our members throughout my term. Whenever things seemed overwhelming, all I had to do was ask for help and members stepped right up. I have learned so much from them and gained valuable friendships along the way. I cannot say enough about this group!

I am excited about transitioning into my new role and supporting the incoming Board of Directors. I know Chapter 160 is in great hands!

Sincerely,

Darby Winger
President, Chapter 160

Experience the Difference!
T&K Roofing & Sheet Metal Company has partnered with the United Association of Roofers Waterproofers and Allied Workers to offer qualified team members the opportunity to complete an industry driven apprenticeship program that is registered by the Department of Labor. When apprentices complete their training, they receive nationally recognized credentials, and earn the designation of journeyman.

Serving Iowa, Western Illinois, Southern Minnesota and Northern Missouri

Helping buildings and employees perform to their fullest.

By modernizing the equipment and systems in buildings, improving energy and operating spend, and addressing ongoing maintenance needs, Johnson Controls creates healthier, more productive and safer environments for customers.

Delivering these outcomes is our diverse workforce. We’re committed to advancing women in the HVAC industry, investing in STEM programs that educate girls and empowering our female employees with our Women’s Resource Network business resource group.

Investing in our people. Delivering for our customers. That’s Building Efficiency.
